

## Work Description: Client Portfolio Website for Snehalata R Thapa

### Overview:

Create an elegant, user-friendly portfolio website for Snehalata R Thapa, an entrepreneur and trainer. The site should be visually appealing, easy to navigate, and responsive across all devices. The goal is to showcase her professional journey, achievements, and affiliations in a structured and engaging manner.

### Key Features & Content Structure:

#### 1. Home Page:

- Hero section with a welcoming image and tagline.
- Short bio introducing Snehalata R Thapa as an entrepreneur and trainer.

#### 2. About Page:

- Detailed biography with background information and personal story.
- Professional headshot.

#### 3. Founder Section:

- **Highlight the businesses she has founded:**
- **Cultivate Your Canvas:** Description, mission, and vision.
- **Sparkle Kids Academy:** Overview of the academy and services provided.
- **Sneh Studio Yoga Center:** Details on yoga classes and wellness programs.

#### 4. Associated Clubs:

- **Showcase her involvement in clubs with respective logos and descriptions:**
- **Rotract Club**
- **Toastmasters Club**
- **Kiwanis Club of Rupandehi Lumbini**
- **Lions Club**

#### 5. Achievements Page:

- **List and visually represent her key achievements:**
- Mrs Nepal International 2019 Second Runner Up
- V.P. Membership - Bhairahawa Toastmasters Club
- Joint Secretary - Lions Club of Siddharthanagar Lady Youth
- 2nd V.P. - Kiwanis Club of Rupandehi Lumbini
- Award winner at TKS Mrs. International 2019
- Mrs Bhairahawa 2019
- Certified Life Skills and Leadership Trainer

#### 6. Gallery Page:

- Photo gallery showcasing events, competitions, training sessions, and public appearances.

#### 7. Contact Page:

- Simple contact form for inquiries.
- Integration of social media links (LinkedIn, Instagram, etc.).

#### 8. Blog/Updates Section (Optional):

- Space for posting articles or news about her recent activities and insights.

### Design and Functional Requirements:

- Modern, clean design emphasizing professionalism.
- Easy-to-navigate menu structure.
- Mobile-friendly and fully responsive layout.
- SEO-friendly implementation.
- Fast load times and optimized performance.

### Timeline

- Project completion target: 2 weeks from the start date.

### Notes:

- Ensure high-quality images are used.
- Maintain consistency in fonts, color scheme, and branding throughout the website.
- Include a secure and user-friendly content management interface for client updates.

### Deliverables:

- Complete source code with documentation.
- Deployment and hosting setup.

### Next Steps:

- Initial meeting to confirm requirements and design preferences.
- Daily updates and milestones to be tracked for smooth progress.
